<input type="checkbox"/> 5. Sag & Tension Tables	Notes:	

Project declaration

By signing this Distribution Pole Attachment application form, the Licensee hereby reconfirms that it has complied with all the requirements of the Agreement.

The Licensee confirms that it will obtain all necessary rights and authorizations, including but not limited to, public consultations, building and electrical permits, municipal permits and licenses, provincial permits and licenses and federal permits and licenses and agreement(s) from the current land owner(s) and/or land tenants/licensee(s).

The Licensee confirms their understanding that the application fee is non-refundable and all resubmissions will require a new application fee.

The Licensee agrees to consent and submit to all the terms and conditions of the fully executed SPO, once issued to the Licensee by BC Hydro. Where Make Ready Work is required, BC Hydro will first obtain approval and payment from the Licensee before proceeding with Make Ready Work.
